

Lakeside Lutheran Church g Memorial Garden h

DID YOU KNOW?

The Memorial Garden at Lakeside Lutheran Church was established in 1994 as a special burial site for church members after cremation. It is located adjacent to the church building. In our Memorial Garden, we offer a means to remember our loved ones and to provide a place of

serenity, beauty, and meditation.

The Garden is a place where the family can spend time reflecting and remembering. It is intended both as a living memorial and as a place of solitude, comfort and reflection. Also, the Garden can be a tribute to a family member.

WHY CHOOSE THIS LOCATION FOR BURIAL?

Placement in the Memorial Garden may be preferred as an alternative to cemetery burial for many reasons. It is a living tribute to the life of a loved one. For those who have been active in the life of our church, burial on church grounds is like "coming home." Cremation and interment in the Memorial Garden is less expensive than conventional funeral and burial procedures.

"I am the resurrection and the life. He who believes in me will live, even though he dies; and whoever lives and believes in me will never die."

John 11:25-26
